HENRY COUNTY FAIR FINANCIAL SUCCESS

The Young Ladies of Martinsville Organize Shakespeare

Club.

ISpecial to The Times-Dispatch I

MARTINSVILLE. VA. November 4—
The secretary and treasurer of the Henry
County Fair Association have made their
reports to the directors, which show that,
not counting the meany collected from
stockholders, the association's expenditures were \$17.31 in excess of its receipts.
This is considered a remarkably good
showing for the first year, considering
the fact that the association will be
laid before the stockholders on November 9th for the leasing and improvement of grounds or face track. A proposition will
be laid before the stockholders on November 9th for the leasing and improvement of grounds and for greatly enlarging
the scope of the fair.

Mr. J. Davenport, of Amelia, has
recently purchased an interest in the
Miller Drug Store here, and will return
here on December 1st to take charge of
his interest in the same.

The young ladies of Martinsville have
recently organized a Shakespeare Club,
